

Tasman Holiday Parks Christmas Holiday Activities

Activity	Description
Alphabet Game	Find things in the park that begins with the Letters in the column and write into box. Return to Reception when complete.
Rock Find	Decorate Rocks and take a photo. Make a list of the rocks with description. Photocopy off photo with list on the other side. Then hide rocks around the park for the children to find. Keep a master copy with where the rocks are hidden, for when the children return their copy you can see if their answers are correct.
Colour Game	Give children copied sheet. They need to search the park and write in column what they found with corresponding colour. Plus, answer two questions at bottom.
Camp Orienteer	Make a list of question (ie How many bridges in the park, Name two staff members). Print off and attach to the back of a park map - now photocopy off double sided copies. Children need to search the camp and write down the answers to your questions.
Scrambled Sentence	Make a sentence like "Loving the holidays and having fun swimming in the pool". Scramble each word. Cut out each word and hide around the park. The children need to find each word, unscramble it and then make it into a sentence, once they have found all the words.
Camp Charades	Copy off master, cut into squares and put in a bowl. Make two teams of children. One person from a team takes a slip out of the bowl and acts it out for their team mates. They are given 3-minute time limit for their team to guess. Swap team for next charade. Team who guesses the most is the winner.

Freeze Dance

In this activity, everyone dance as the music plays. When the music stops, each player must freeze immediately and hold that position until the music begins again. If a player does not freeze immediately, they are out. Last one left is the winner.

*All children must be supervised by a responsible adult.
