TESTIMONIALS

We had an amazing stay at Tasman Holiday Park! The facilities were top-notch, with plenty of kitchens and bathrooms, making it perfect for our team. The rooms were clean and well-equipped, and had plenty of common areas were great for socializing including a heated pool which the team loved. The staff went above and beyond, even putting our dinner in the oven while we were out playing! Would highly recommend this place for teams or groups looking for a great place to stay!

- Kaiapoi High School

Tasman Holiday Park - Christchurch was a fabulous place to stay with great amenities, especially the new ablution block. Our students were able to relax in between games, the staff were friendly and prior to our visit they were understanding when we needed to make changes to our booking. We will definitely be staying here again!

- East Otago High School

Tasman Holiday Parks - Christchurch is perfect for school groups. The rooms are tidy, and the kitchen facilities are perfect for what we require. The space outside is also great, and our students use the pool often. The accommodation is handy to many amenities and is central enough that it allows us to stay there without too much travel to and from grounds or venues.
